Saajan Maharjan

Computer Security Student / Front Web Developer / D365 Marketing Automation

Objective

As a computer security student with experience in front-end development and D365 marketing automation, I am seeking an internship or entry-level position in the cybersecurity industry to utilize my diverse skillset and expand my knowledge in securing digital assets. I am eager to apply my expertise in developing secure web applications, implementing security measures, and utilizing D365 marketing automation tools to enhance security and mitigate potential threats.
